# 3.- Find citation [búsqueda de citas]

The screenshot shows the CINAHL (Cumulative Index to Nursing & Allied Health Literature) search interface. The browser window title is "CINAHL - Cumulative Index to Nursing & Allied Health Literature 1982 to September Week 1 2006". The page has a navigation bar with links for "Change Database", "Mensaje a la Biblioteca", "Help", "Personal Account (for Searches)", and "Saved Searches". Below the navigation bar is a table with columns for "#", "Search History", "Results", and "Display". Underneath the table are buttons for "Combine Searches", "Delete Searches", and "Save Search/Alert".

The main search area has three tabs: "Advanced Search", "Basic Search", and "Find Citation". The "Find Citation" tab is highlighted with an orange circle. The form fields are as follows:

- Article Title:
- Journal Name:   Truncate Name (adds "\$")
- Author Surname:   Truncate Name (adds "\$")
- Volume:  Issue:  Article First Page:
- Publication Year:  (e.g., "2005")

A red "SEARCH" button is located on the right side of the form, also circled in orange. A "Hint" is provided at the bottom of the form: "Use truncation if you don't have the full journal or author names (e.g., using truncation, "Ang" will find "Angiogenesis" and "Angiology"; "Smith G" will find "Smith, Glen" and "Smith, George")."
